Question / becomes design.

I'm a graphic and multimedia designer at **Stars Design** in Amman. I make social media campaigns, reels, 3D and print for brands in food, fashion, retail and delivery, from the idea through to the finished post.

Essence of Beauty × Slazenger

One of four reels for the Slazenger sport deodorant range. I set it in a dark, athletic world with the can lit like equipment, and handled the concept, design, copy and edit.

CheeZ Khaliya

Ongoing social content for a cheese-bread restaurant with three branches in Amman. I did the idea, design and execution for all of it, including the logo: product posts, the Treasure Card loyalty campaign, seasonal posts for the World Cup and Independence Day, and the reels above.

Work	Logo, posts, reels, copy
