

Question / becomes design.

I'm a graphic and multimedia designer at **Stars Design** in Amman. I make social media campaigns, reels, 3D and print for brands in food, fashion, retail and delivery, from the idea through to the finished post.

Stars Design - CGI ad

Cheez Khaliya

Ongoing social content for a cheese-bread restaurant with three branches in Amman. I did the idea, design and execution for all of it, including the logo, product posts, the Treasure Card loyalty campaign, seasonal posts for the World Cup and Independence Day, and the reels above.

Work Logo, posts, reels, copy

Formats 4:5 posts, 9:16 reels

Language Arabic

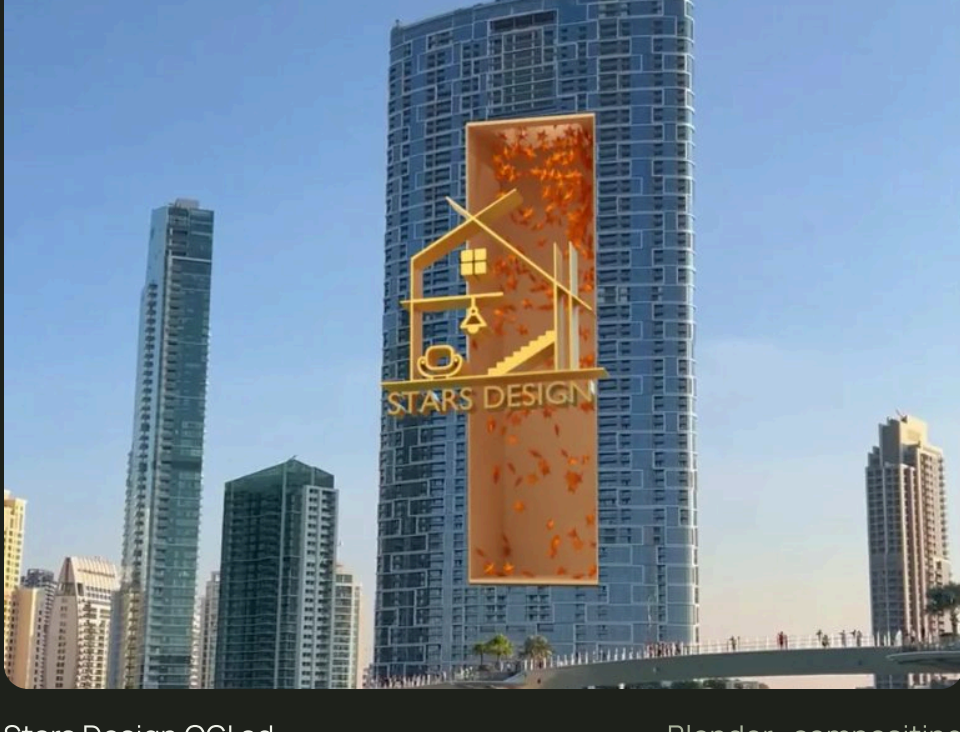

3D and CGI

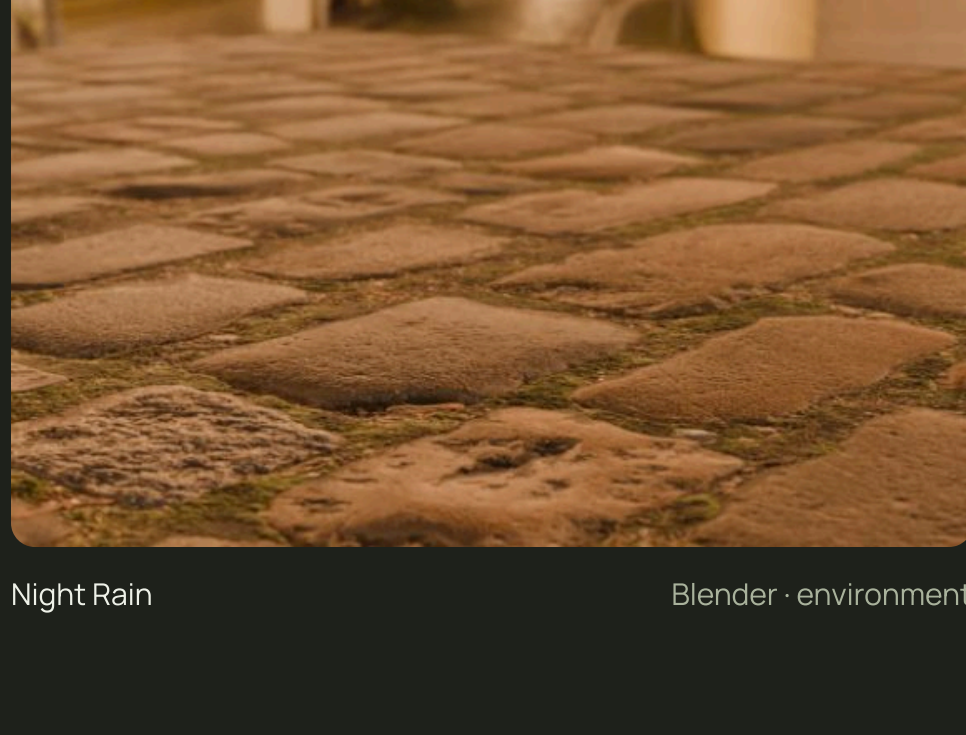

Scenes, product renders and CGI built in Blender, from modeling and materials to lighting and the final video.

Al-Qimma Delivery - key visual

I've been designing at Stars Design since December 2023, for clients in interior design, food, fashion, retail, childcare, pet care, healthcare and delivery. I write the idea and the caption, design the post, shoot or render what's needed, and edit the reel.

What I do

Social media design
Reels and motion graphics
3D visualization
Branding and logos
Product and interior photography
Copywriting in Arabic and English

Tools

Photoshop, Illustrator
After Effects, Premiere Pro
Blender, AutoCAD, Adobe XD
CapCut, Canva
ChatGPT, Gemini, Google Flow, Magnific AI

Education

BSc Multimedia & Graphics Technology
Khawarizmi Technical University College, 2025 to now
Diploma, Graphic Design
Al-Khwarizmi College, 2023 to 2025
Diploma, Interior Design
Al-Khwarizmi College, 2019 to 2022

Let's work together.
